

UVA BME Placement Data for the Class of 2023 University of Virginia Biomedical Engineering, Source: Exit Survey May 2023

82 of 113 students (73%) have definite plans...			
25 graduate training (22%)	BME / BioE	15	Johns Hopkins University (PhD), Cornell University (PhD), Case Western Reserve University (PhD), Vanderbilt University (PhD), 2--University of Virginia (PhD), 5--University of Virginia (ME), University of Pennsylvania (MS w/ NSF GRFP), 2--University of Pennsylvania (PhD), Northwestern University (MS)
	Engineering	4	2--University of Virginia Systems Engineering (ME), Johns Hopkins University Mechanical Engineering, Georgia Tech Mechanical Engineering (PhD)
	Other	3	University of Virginia (MS Data Science), University of Pittsburgh (Physical Therapy DPT/Bioengineering PhD), Yale University (MS Personalized Medicine and Applied Engineering)
	Biomedical Sciences	3	Virginia Commonwealth University, Albany Medical College, Dartmouth (MS Quantitative Biomedical Sciences)
3 medical Training	Medical or Dental School	3	Virginia Tech Carilion (School of Medicine), Virginia Commonwealth University (Dental), Unknown Dental School.
41 jobs (36%)	R&D	12	CDMO (Research Associate), Eli Lilly, 2--Epic TSE, Hemoshear Therapeutics, 2--Icarus Medical, PS Fertility, 2--Springbok Analytics (Segmentation Engineer), Ventis Medical, Zimmer Biomet (Development Engineer)
	Sales/Marketing	3	2--Icarus Medical (Sales Representative), Biotronik
	Manufacturing	4	GSK (Associate Manufacturing Specialist), Icarus Medical, Merck, Mign
	Testing/Quality	3	Abbot Laboratories, 2--unknown
	Management	2	Epic
	Consulting	13	3--Accenture, Booz Allen Hamilton, 5--Deloitte, McAllister and Quinn (Research Analyst), MITRE, srcLogic (Technical Consultant), Zs
	Financial Services	1	Old Mission Capital (Quantitative Trader)
	Other	3	2--Amazon Web Services, Canon Virginia, Inc (Rotation Biomedical Engineer)
2 Gov't	Government	2	Peace Corps, Department of Defense (Civilian Engineer)
11 gap year (10%)	Gap Year	11	NSF Research Fellowship at CU Boulder, Charlottesville Dermatology Clinic, Research Associate (UVA School of Medicine), Research Assistant (UVA Clinical ENT), Amgen, Research Assistant (NYU Langone Health), Arthritis and Sports (Medical Assistant), 2—Medical Scribe (UVA), Medical Scribe (Inova), 1—Gap Year (unreported position)
24 of 113 are Still Deciding or Still Looking (21%)			
Still Deciding Manufacturing (has software offer but hoping for biotech startup offer), Still Deciding Software position (in process), Still Looking Government, Still looking Manufacturing, Still Looking Other, Still Looking Research, 2—Still Looking R&D, Still Looking Testing/Quality, 2—Still Looking Unknown Goal, 13-Still Looking Gap Year			
7 of 113 did not interview (6%)			
7-Did not interview			

UVA BME Placement Data for the Class of 2022 University of Virginia Biomedical Engineering, Source: Exit Survey May 2022

91 of 123 students (74%) have definite plans...			
22 graduate training (18%)	BME / BioE	15	University of Washington (PhD), Virginia Commonwealth University (PhD), University of Virginia (ME)—5, Johns Hopkins University (PhD)—2, Boston University (unknown), Boston University (PhD), University of Michigan (PhD), University of Pittsburgh (Unknown), University of Rochester (PhD), Oregon Health & Science University (unknown)
	Engineering	2	UVA Mechanical Engineering (PhD), Princeton Computer Science (PhD)
	Other	1	UVA Data Science (unknown)
	Biomedical Sciences	4	Unknown (MS Medical Sciences), Virginia Commonwealth University (unknown), Tulane School of Medicine, Boston University (MS Medical Science)
1 medical Training	Medical School	1	Unknown
60 jobs (49%)	R&D	25	Ampel Biosolutions, Cerillo (Product Development Engineer), Delve Bresslergroup Boston (Human Factors Engineer), Dimensional Fund Advisors Autin TX (Software engineer), EPIC (Software Developer), EPIC (Technical solutions engineer)—5, Focused Ultrasound Foundation, Generate Biomedicines (research associate in immunology), Icarus Medical Innovations, Icarus Medical Innovations (Lead Design Engineer), KLS Martin, Medtronic (biomedical engineer), National Resilience, Oracle (Analyst), Philips Research (Associate Scientist), , P&G (Software Engineer), restor3d (product development design engineer), SalioGen Therapeutics, Unknown, Vanda Pharmaceuticals—2
	Sales/Marketing	1	Unknown
	Manufacturing	5	Merck & Co. (Process Engineer), KBI Biopharma Durham, NC (Manufacturing Engineer), Applied Medical (Process Engineer), Amgen, VisionAir Solutions Cleveland OH (Manufacturing Engineer)
	Testing/Quality	4	Appian, Microaire Surgical Instruments (Design Verification Engineer), EPIC, GA-CCRi
	Management	4	EPIC, Unknown (Project Engineer), ICON plc, Droplette (People Operations)
	Consulting	14	Guidehouse (Life Science Consultant), Slalom in DC (Salesforce Department), Deloitte, Federal Government, FTI, Cloudmed, Groundswell Consulting Group, Oliver Wyman, ClearView Healthcare Partners, Booz Allen Hamilton (Healthcare system engineering consultant), Booz Allen Hamilton, Life Science Strategy Group, Unknown—3
	Financial Services	3	Capital One (Business Analyst)—2, Broadhaven Capital Partners (Investment Banking Analyst)
	Other	4	Abbott Laboratories (Clinical Specialist in Electrophysiology), UVA Childrens Hospital, USPTO, Patent Law Office in Japan
2 Military	Military	2	Navy (Explosive Ordinance Disposal), Navy (Pilot)
6 gap year (5%)	Gap Year	6	Scribe-3 (medical school), Teaching English Abroad (unknown), CNA at UVA (medical school), Northwestern Postbaccalaureate Research Education Program (NU PREP)
5 of 123 Have offers but are still deciding (4%)			
Loci Controls (Energy Engineer), Several Offers, Deciding between USPTO and Medtronic, Unknown--2			
27 of 123 Still Looking, Still Waiting to Hear, Undecided or Unknown (22%)			
Gap Year—9, Waiting on offer (industry job)—3, Waiting on offer (law school), Grad program (Data analytics), Premed—2, Still looking—6, Unknown—5			

UVA BME Placement Data for the Class of 2021 University of Virginia Biomedical Engineering, Source: Exit Survey May 2021

88 of 118 students (75%) have definite plans...			
29 graduate training	BME / BioE	20	Boston U.-2, Cornell-2, Duke (PhD), Harvard Bioengineering, John's Hopkins (MS Bioengineering Innovation & Design), Northeastern (PhD), UC Davis, U. of Maryland (PhD), U. Pennsylvania, U. Southern California (PhD), UT Austin, U. Virginia-3 (Master in Engineering), U. Virginia (MS), U. Virginia, Vanderbilt U. (PhD), Unknown
	Engineering	2	UVA Systems Engineering (PhD), UC Berkeley (MS Electrical Engineering and Computer Science)
	Other	4	Touro College of Osteopathic Medicine (MS Interdisciplinary Studies in Biological and Physical Sciences), UVA (MS Commerce), UVA (MS Data Science), West Chester University
	Biomedical Sciences	3	EVMS, Imperial College London (MS Immunology), Unknown
8 medical Training	Medical School	5	Albert Einstein College of Medicine, Case Western Reserve University School of Medicine, University of Miami Miller School of Medicine, UT Health San Antonio (Long School of Medicine), VCU School of Medicine
	Other	3	Columbia Dental School, University of Pennsylvania School of Veterinary Medicine, VCU School of Dentistry
38 jobs	R&D	8	Epic-3 (Technical Solutions Engineer), Ampel Biosolutions, ZielBio, Amgen (Emerging Talent Rotational Program), Bristol Myers Squibb (Cell Therapy Rotational Program), Unknown (Software Engineer)
	Sales/Marketing	1	Unknown (Medical Device Associate Sales Representative)
	Manufacturing	5	Eli Lilly, KLS Martin (planning engineer), Merck-3
	Management	1	Unknown
	Consulting	14	Appian, BlackPoint Consulting Group, ClearView Healthcare Partners, Charles River Associates, Deloitte-4, Ernst and Young, FedTech Venture, Pariveda Solutions-2, PwC Technology Consulting, ZS Associates Inc.
	Entrepreneurship	3	Brave Virtual Worlds, Unknown-2
	Other	6	Abbott Laboratories (Clinical Specialist), Department of Defense-2, Capital One, Korn Ferry (Biotechnology and Global Life Sciences executive search), Venture Capital (Analyst)
13 gap year	Gap Year	13	Clinical Research Coordinator Massachusetts General Hospital, Hospital Scribe, Medical Assistant-2, UVA Life Support Learning Center, Post-bac research (U. Arkansas public health), Laboratory Technician, Research Technician-3 (UVA), Research Technician, Post-bac research (NIH), AmeriCorps, Raleigh Fellows
7 of 118 Have offers but are still deciding (6%)			
UVA MS Commerce, MS in Biomedical Sciences, UVA BME Master in Engineering, Lab technician in Charlottesville, MIST, Software Position, Software Development			
23 of 118 Still Looking, Still Waiting to Hear, Undecided or Unknown (19%)			
Gap year-5, Grad or Professional School-3, Job Industry-10, Job Other-2, Unknown-2, Undecided			

UVA BME | Placement Data for the Class of 2020

University of Virginia Biomedical Engineering. Source: Exit Survey May 2020.

66 of 87 students (76%) have definite plans...			
21 grad training	BME / BioE	15	Johns Hopkins (PhD), U. Delaware (PhD), U. Florida (PhD-2), U. Virginia (ME-6), UT Austin (PhD), Vanderbilt (PhD), VCU (PhD), Yale (PhD), Unknown
	Engineering	2	Boston U. (Unknown), U. Southern California (MS-Computer Science)
	Other	3	Georgetown U. (Master of Analytics and Data Science), The Royal College of Art (MFA/MSc-Innovation Design Engineering), UVA (MS-Data Science)
	Biomedical Sciences	1	Duke (PhD-Computational Biology and Bioinformatics)
3 Med School	Medical School	3	U. South Florida, U. Virginia, UT Austin
36 jobs	R&D	18	Amgen (1-Process Development Associate, 1-Rotational Leadership Development Program), AMPEL BioSolutions (Researcher), Booz Allen Hamilton (1-Engineer, 1-Software Developer), Capital One (Technical Area Position), Epic (2-Technical Solutions Engineer), HemoShear (Research Associate I), INDOOR Biotechnologies (Laboratory Technician), InVitro Cell Research (Associate Research Scientist), Leidos (1-Unknown, 1-Systems Engineer), Mathworks (Application Support Engineer), Medtronic (Systems Engineer I), Merck (Engineer I/Contract), MITRE (Software Developer), Springbok Analytics (Biomedical Engineer Part Time) BOLD =Charlottesville companies
	Sales/Marketing	1	Zynex Medical (Territory Manager)
	Manufacturing	2	Boston Scientific (Manufacturing Engineer I), Merck Manufacturing (Leadership Development Program)
	Consulting	11	Accenture (Consulting Analyst), Accenture (Technology Engineer Analyst), Bain & Company (Associate Consultant), Capital One (Business Analyst), CapTech (Technical Consultant), CGI, Defense Intelligence Agency (Analyst), Deloitte (Analyst), National Human Genome Research Institute (Scientific Program Analyst), NetBase Quid (Healthcare Consultant), Oliver Wyman (Consultant)
	Other	4	Abbott, Booz Allen Hamilton (Software Consultant), DealCloud (Implementation Analyst), USPTO (Patent Examiner)
6 gap year	Gap Year: Research	1	NIH NIDA (later: PhD)
	Gap Year: Medical	5	Clinical Assistant (Spine & Scoliosis Practice), EMT, Scribe (3)
21 of 87 Still Looking, Undecided or Placement is Unknown (24%) Gap Year (12), Job Manufacturing (1), Job Other (2), Job R&D (5), Job Sales/Marketing (1)			

UVA BME | Placement Data for the Class of 2019

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 2019.

79 of 85 students (93%) have definite plans...			
16 graduate training	BME / Bioengineering	10	Columbia U. (PhD), Duke (MS), U. Penn (1-MS, 1-PhD), U. Delaware (PhD), UT Austin (PhD), UVA (3-ME), Wake Forest Center for Injury Biomechanics (PhD)
	Engineering	2	UVA Computer Science (MS), Johns Hopkins U. Center for Bioengineering Innovation and Design (MSEng)
	Other	3	Harvard Bioethics, UVA Commerce, Unknown Health Administration
	Biomedical Sciences	1	UNC Chapel Hill Pharmacology (PhD)
12 medical training	Medical School	10	Creighton (or VCU), Emory, Georgetown, Thomas Jefferson U., Uniform Services University, UVA (4), Unknown
	Medical Other	2	VCU Dental School, Vanderbilt MSTP
35 jobs	R&D	14	Amgen, Applied Medical (R&D Engineer I), Cerillo , Dark Wolf, Embody (Internship), Epic (1-Integration Engineer, 1-Problem Solver, 1-Software Developer, 1-Technical Solutions Engineer), IBM (Technical Solutions Specialist), Merck (Leadership Development Rotational), Northrup Grummon (Data Analytics), Tempo Therapeutics, Rivanna Medical (Research and Development Engineer) BOLD =Charlottesville company
	Management	1	Microstrategy (Technology Associate Rotational)
	Testing/Quality	6	Epic (4-Technical Services), Microstrategy (Associate QC Analyst), WillowTree (Software Test Engineer)
	Consulting	11	Deloitte (4-Technical Analyst), Accenture (2-Business Tech Analyst), LMI, McKinsey, Pariveda, Unknown (Scientific Informatics Analyst), The Advisory Board/Optum Health
	Other	3	Abbott (Technical Sales Specialist), Capital One (1-Unknown, 1- Business Analyst)
16 gap year	Gap Year: Research	6	CVPath Institute, Duke (Research Associate), NIH IRTA (3), Stowers Institute for Medical Research
	Gap Year: Practice	6	Scribe (5), The Endocrinology Group
	Gap Year: Other	4	Unknown placement (2), Travel, Family Caregiver
6 of 85 Still Looking or Undecided (7%) Gap year (1-undecided, 1-research position), Industry, R&D (2-still looking), Undecided (1), Not Interviewed (1)			

UVA BME | Placement Data for the Class of 2018

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 5—12, 2018.

71 of 88 students (81%) have definite plans...			
19 graduate training	BME / Bioengineering	11	U. Michigan (2—PhD), Columbia (PhD), Rice (PhD), Yale (PhD), U. Wisconsin (PhD), Purdue (PhD), USC (PhD), VCU (PhD), U. Miami (PhD), U. Virginia (ME)
	Engineering	2	U. Virginia (MS Systems Eng), U. Virginia (MS MechE)
	Other Masters	3	Emory (MPH Healthcare Management), U. Washington (MS Prosthetics and Orthotics), Unknown (MS Integrative Physiology)
	Biomedical Sciences	3	Dartmouth Geisel School of Medicine (PhD Quantitative Sciences), Duke (MS), NYU (PhD Biomedical Sciences)
3 medical training	Medical School	2	EVMS, USUHS
	Medical Other	1	Texas Heart Institute (Perfusion School)
39 jobs	R&D	19	Boston Scientific (R&D Engineer), Stryker (Product Development Engineer), Philips Genetic Sequences, Facebook (Software Engineer), IBM (Software Engineer), Epic (1—Software Developer, 3—Technical Problem Solver), Integra Life Sciences, HemoShear (Associate II), Contraline* (Research Scientist), Syntasa, Cyrus Biotechnology, Luna Innovations (Research Assistant), Mitre (Biomedical Engineer), Leidos (Software Engineer), Babelon MicroFarms* (CTO & Co-Founder), Thinking with Tools/Hack Cville/Get Hops* (software development) BOLD =located in Charlottesville
	Management	4	Merck (Technical Operations), Eli Lilly (Scientist Quality Assurance), Anheuser Busch IMBEV, Epic (Project Manager)
	Sales/Marketing	3	IBM Summit Program (3—Technical Sales Trainee)
	Consulting	10	Deloitte (6), Accenture, Counterpoint Consulting, Masedon Tech, ZS Associates
	Other	3	USPTO, Venture for America (2)
10 gap year	Gap Year: Practice (eventual goal in parenthesis)	4	UVA Scribe (3—Medical School), Chi Alpha Christian Fellowship (unknown)
	Gap Year: Research (eventual goal in parenthesis)	6	MIT Neuroscience (PhD), Scripps Research Institute (considering PhD), U. Penn (unknown), U. Virginia (MD), UT Austin Cardiovascular Surgery (MD), U. Virginia Radiology (MD)
17 students (19%) are still looking....			
Consulting, Gap Year (Industry, Service, 3—Research, 3—Undecided), Industry (5—R&D, Management, Undecided)			

UVA BME | Placement Data for the Class of 2017

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 4—12, 2017.

84 of 95 students (88%) have definite plans...			
17 graduate training	BME / Bioengineering	9	Vanderbilt (3—PhD), UCSD (PhD), Case Western Reserve (PhD), Brown U. (PhD), U. Michigan (MS), U. Penn (MS), U. Virginia (MS)
	Engineering	3	U. Virginia (MS EE), U. Virginia (2—PhD MechE)
	Biomedical Sciences	2	Boston University (MS), U. Pittsburgh (PhD Immunology)
	Other	3	U. Virginia (MS Finance), U. Virginia (MS Public Health), U. Virginia (MS Education)
7 medical training	Medical School	7	U. Virginia (3), EVMS (2), VCU (2)
41 jobs	R&D (companies based in Charlottesville are bold . *Indicates companies led by student entrepreneurs).	19	Stryker (R&D Engineer), Contraline* (Research Scientist), Integra Life Sciences (Rotation Program), Agrospheres* (3), AMPEL Biosolutions (3), Epic (3—Technical Problem Solver, 1—Software Engineer), Leidos (Software Engineer), Capital One (Data Engineer), PC Test (Biomedical Engineer), Springbok (Image Segmentation Engineer), Georgetown U., Family's Start-Up
	Management	3	Genentech (Rotational Development Program Analyst), Eli Lilly (Manufacturing Engineer), Rivanna Medical* (Production Manager)
	Sales/Marketing	1	Oracle (Business Development Analyst)
	Consulting	9	Accenture (2), Appian, Applied Predictive Technologies, Booz Allen Hamilton, Deloitte, Prestige Only, Second Order Solutions, Family Consulting Business
	Other	9	Abbott (3—Technical Sales Specialist), Capital One (Business Analyst), Church Hill Activities and Teaching (Teaching Intern), Gladstone Institutes (Research Associate), University Transit (Supervisor), UVA Health System (1— PT Assistant, 1—ER Department Technician)
19 gap year	Gap Year: Practice (eventual goal in parenthesis)	5	Inova Fairfax Scribe (MD), NuVasive Clinical Services Associate Neurophysiologist (MD), UVA Health System PT Assistant (unknown), Scribe in Richmond (MD), Chi Alpha Christian Fellowship (Photography Business)
	Gap Year: Research (eventual goal in parenthesis)	14	Whitaker International Fellowship (4—PhD), NIH Post-Bac Researcher (3—MD), U. Virginia BME (3—MD), Beth Israel Post-Bac Researcher (MD), Dana Farber Cancer Institute (PhD), U. Virginia Neurological Surgery (MD), U. Virginia Radiation Oncology (undecided)
9 students are still looking and 2 did not interview (12%)....			Consulting, Gap Year Research (PhD), Gap Year Research (MD), Industry (3), Undecided, Unknown (4)

UVA BME | Placement Data for the Class of 2016

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 6-13, 2016. Updated Summer 2016.

78 of 88 students (89%) have definite plans...			
23 graduate training	BME / Bioengineering	10	U. Penn (PhD), U. Washington (PhD), Georgia Tech (PhD), Northwestern (PhD), Case Western Reserve (PhD), WUSTL (PhD), VA Tech (PhD—2), UCSD (MS), U. Virginia (MS)
	Specialized Masters, Engineering/Design	6	Johns Hopkins Bioengineering Innovation and Design, UC Berkeley Translational Medicine, Georgia Tech Biomedical Innovation and Development (2), Harvard Architecture Design Studies, UVA MechE (MS)
	Specialized Masters, Public Health	4	U. Michigan Biostatistics (PhD), U. Pittsburgh Rehabilitation Technology (MS), U. Virginia (MPH), Yale Biostatistics (MS)
	Biomedical Sciences	3	U. Vermont Cell Molecular & Biomedical Sciences (PhD), Johns Hopkins Pathology (PhD), Montana State U. Microbiology (PhD)
11 medical training	Medical School	9	U. Virginia (3), New York University, Georgetown, Wake Forest, Medical College of Georgia, Eastern Virginia Medical School (2)
	Medical Other	2	Penn State (MD/PhD), Northwestern (Osteopathic Medicine)
34 jobs	Consulting	13	Deloitte (3), Accenture (3), A.T Kearney (NY), Counterpoint Consulting, Griffin Scientific, Maximus, McKinsey & Co, PWC Chicago, Unknown
	R&D	13	Epic (1—Server Systems Engineer, 6—Technical Problem Solver), Illumina, Involution (Software Designer), Luna Innovations, Cook Medical (Sustaining Engineer), NuClimate (Junior Engineer), General Dynamics Mission Systems (Software/Java Engineer)
	Sales/Marketing	1	Oracle (Business Development Representative)
	Industry, Other	5	Lake Region Medial (Rotational Engineer), AMPEL Biosolutions (Product Manager), St. Jude Medical (2—Field Technician), Lonza (CQ Analyst)
	Finance	2	Capital One (Business Analyst Data Analytics), Green Sky Credit (Analyst)
10 gap year	Gap Year: Service (eventual goal in parenthesis)	3	Americorps National Health Corps (Medical School), Missionary Grenoble (industry), Missionary FOCUS Fellowship (unknown)
	Gap Year: Research (eventual goal in parenthesis)	7	Fellowship Institute for Health Metrics and Evaluation (PhD), Fellowship NIH (PhD), U. Virginia BME (1—MD/PhD, 1—MD), U. Virginia Radiology (MD), Research Specialist Brigham & Womens Hospital (MD), Scribe (MD)
10 students (11.5%) are still looking or unknown...			
Looking for a job (4), Gap year (2), Waiting to hear from graduate or medical school (2), Unknown (1), Did not interview (1)			

UVA BME | Placement Data for the Class of 2015

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 2015.

Placement Data for 84 BME students.

67 students (80%) have definite plans...		
Graduate School, BME	9	UCSD (PhD), Notre Dame (PhD), U. Washington (PhD), U. Virginia (PhD), UCSF Berkeley (2—PhD), GA Tech (PhD), UT Austin (PhD), U. Minnesota (PhD)
Graduate School, Engineering	3	JHU Bioengineering Innovation (MS), Carnegie Mellon MechE (MS), VCU Chemical and Life Sciences Engineering (PhD)
Medical School	8	U. Arkansas, Temple U., NYU, UVA, VCU, USUHS, U. Colorado, Vanderbilt
Law School	1	Boston University
Graduate School, Other	6	UVA Commerce (2), EPFL (Fulbright/stipend), Harvard Public Health (MS), Simon Fraser University (MS Educational Design/stipend), Financial Engineering (choosing between schools)
Gap Year (MD)	5	U. Virginia Research (2), Scribe, Anesthesiology Clinic, Au Pair (then VCU DrOT)
Industry, Consulting	12	Deloitte (6), Appian (2), FTI, Maximus, Accenture, DC Energy
Industry, R&D	12	Epic (6), Lockheed Martin, Northrup Grummon, Proctor & Gamble, FUS Mobile, Lighting Bolt Solutions, PC Test
Military	1	Navy
Other	10	St. Jude (4—Field Engineer), FDA, USPTO, Gannett, Wells Fargo, Venture for America Fellowship (2)
17 students (21%) are still looking...		
		Waiting to hear from medical school (2) Looking into MS program Gap year placement (7) Looking for a job (7)

UVA BME | Placement Data for the Class of 2014

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 2014.

Placement Data for 70 students.

64 students (91.5%) have "definite plans" one month before graduation.		
Graduate School, BME	7	(All PhD w/stipend, unless indicated): Johns Hopkins, Boston University, University of Washington, Duke University, U. Michigan, U. Kansas, EPFL Switzerland (MS)
Grad School, Medical Sciences	3	Cornell Computational Biology and Medicine (PhD), Vanderbilt Biomedical Informatics (PhD), Boston University (MS),
Graduate School, Other	4	UVA McIntire School of Commerce (MS), Tufts Education (PhD), UVA Public Health (MS), U. Maryland Public Policy (MS)
Medical School	7	St. George's University, George Washington U., UVA, NYU, VCU, Georgetown, U. Alabama
Gap Year (Medical School)	8	Medical Service Abroad (3), Americore, Lab Specialist UVA, Scribe New England Baptist Hospital, Scribe UVA, Rafting Guide
Gap Year (Research)	4	Vanderbilt Nephrology, UVA Ctr for Diabetes, UVA Neuroradiology, UVA Infectious Diseases
Industry, Marketing/Sales	2	American Accessories, Oracle
Industry, Consulting	20	Accenture (10), Deloitte (5), EPIC (2), Counterpoint, Maximus, Unknown (DC)
Industry, R&D	3	Lake Region Medical (Accellent), Palantir, Eli Lilly
Military	1	Air Force
Other	5	St. Jude Medical (2), Venture for America, Teach For America, Origio Internship (then language program in Europe)
5 students are "still looking" (7%)		
		Medical Sales/Marketing, Interviewing, Gap Year w/ Americore or NIH, Applying to vet school, Price Waterhouse Cooper internship this summer
1 student's plans are unknown (1.5%)		

UVA BME | Placement Data for the Class of 2012

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 2012.

Placement Data for 63 students.

52 students (83%) have "definite plans" one month before graduation.

Graduate School, BME	12	(All PhD w/stipend, unless indicated) UCSD, Johns Hopkins, Duke (2), GA Tech, UCLA, UVA (MS w/stipend), UT Austin, U Minnesota, U Maryland, U Utah, VA Tech
Graduate School, Engineering	2	U Florida Materials Science (PhD), GA Tech MechE (PhD)
Graduate School, Other	1	Batten School
Medical School	5	Temple, NYU, VCU, MUSC, New Jersey Medical School
Dental School	1	VCU
Gap Year (Medical School)	4	Rescue Squad Cville; UVa Scribe Program; Research Trials Coordinator for private oncology clinic; Wildlife Center of NE (vet school)
Gap Year (Research)	7	US Geological Survey Field Intern; JHU Neuropathology Lab; NIH Post Bac Program (3); Brookings Institution; UVa Cell Biology
Industry, Consulting	6	Deloitte (2), Capital One, Accenture (3)
Industry, R&D	7	Genentech; GE Healthcare; Alcon Labs; Northrup Grummon; JHU Applied Physics Lab; HemoShear, Global Cell Solutions, Epic Medical Systems (5)
Other	4	St. Jude Medical (2), Teach for America; Teaching math/science in Boarding School in England
4 students are "still looking" (8%)	Gap year placement before med or grad school (1); Still looking for industry job (3)	
5 students' plans are unknown (8%)		

UVA BME, Placement Data for the Class of 2011

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 2011.

Placement Data for 68 students.

54 students (80%) have "definite plans" one month prior to graduation.		
Graduate School, BME	9	Johns Hopkins (PhD), University of Washington (PhD), Duke (PhD), Columbia (PhD), Vanderbilt (PhD), Thomas Jefferson University (PhD), Virginia Commonwealth University (PhD), University of Virginia (MS), Columbia (MS)
Graduate School, Bio Sciences	1	HHMI Janelia Farm Cambridge UK (PhD Neuroscience)
Graduate School, Other	4	MS Commerce (UVA), MPH - 3 (Berkeley, Columbia, Institute for Health Metrics & Evaluation in Seattle), Master of Health Care Administration (VCU)
Medical School	7	Johns Hopkins (2), University of Virginia, University of Tennessee, University of Mississippi, Eastern Virginia Medical School, Tufts University (MD/MBA)
Other Health Care Training	3	Tufts University (Dental School), Doctor of Physical Therapy (VCU), Doctor of Osteopathic Medicine (VCU)
Gap Year, Practice	3	Certified Nursing Assistant (PA degree), Dental Assistant- 2 (Dental School)
Gap Year, Research	4	Research Assistant (3—UVA), Post-Baccalaureate Research (NIH)
Industry, Marketing/Sales	1	MicroAire
Industry, Consulting	8	Deloitte – 3, Epic – 3, McKinsey & Co (San Francisco, CA), Bain & Co (Burton MA)
Industry, R&D	5	DuPont, RetiVue, Integra Life Sciences, Mitre Corp, Temple Allen Industries
Other	7	St. Jude, CIA Analyst, LifeMed - 2, McGowan Institute, Pitt, Flashpoint Media, Starting a Family
14 Students are "still looking" or "undecided" (20%).		
Graduate School	3	MS Commerce (UVA), Biotech MS (Georgetown or Columbia), Still waiting to hear MS BME (or job)
Medical/Dental school	3	Still waiting to hear (also looking for job), Still waiting to hear (interview for Langley NASA internship this summer), Plans to apply to Vet School
Industry	4	R&D
Undecided	4	Industry, Looking for a job, MBA or biotech job, Biotechnology or Business

UVA BME | Placement Data for the Class of 2010

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 2010

2010 Placement Data for 56 Students

50 students (89%) have definite plans		
Graduate School, BME	9	Univ of Washington (PhD), UVA BME (2), MIT Biological Engineering (PhD), UNC-NC State (PhD), VCU (2), Unknown, VA Tech
Graduate School, Bio Sciences	2	Georgetown BIMS (2—PhD)
Graduate School, Engineering	3	UVA MechE (MS), Vanderbilt Chemical and Biomolecular Engineering (PhD), Dartmouth Engineering Management (MS)
Graduate School, Other	2	UVA McIntire (Commerce MS), UVA Batten (Public Policy MS)
Medical School	7	UVA (3), EVMS, VCU/MCV, WVU (2)
Other Healthcare Training	4	University of Maryland (MD/PhD), Vanderbilt (MD/PhD), Ohio State (Dental School), Southwest College of Naturopathic Medicine
Post-bac research	10	NIH (3), UVA Pharmacology, Rothman Institute (Philadelphia), UVA Surgery, UVA Medical Simulation Lab, VCU/MCV, VA Tech, UVA Ophthalmology
Industry, Management	1	Epic
Industry, Consulting	4	Unknown (Alexandria VA), Accenture, Deloitte, Registrar Corp
Industry, R&D	4	Australian Institute of Bioengineering and Nanotechnology, Medical Device Research Engineer (Brisbane AU), Brain Lab (New York), Unknown
Financial Services	1	Bridgewater Associates
Other	2	Inova Fairfax (scribe), UVA Community Health Services Project
Volunteer	1	Charity in Haiti
6 Students still looking or undecided		
Graduate School	1	Has Offer (no stipend) from UVA BME (MS)
Professional school	1	MCATs this summer, then SOM next year
Industry	2	Still waiting to hear about biz analyst/consulting job Wants to work for start up company
Undecided	1	Maybe biotech industry
Unknown	1	

UVA BME | Placement Data for the Class of 2009

University of Virginia Biomedical Engineering. Source: Exit Interviews conducted May 2009.

2009 Placement Data for 62 students

52 of 62 students (84%) have "definite plans" one month prior to graduation.		
Graduate School, BME	9	(PhD unless noted...) Johns Hopkins (2), Boston University, UCSD, Washington University in St. Louis, UVA, UVA (MS-2), Purdue
Graduate School, Bio Sciences	1	University of North Carolina
Graduate School, Other	2	Harvard Public Health, University of Florida (B.S.Nursing)
MD/PhD	1	Northwestern
Medical School	10	Albert Einstein, EVMS (2), MCV, Robert Wood Johnson, USUHS, UVA (3), Vanderbilt
Dental School	2	VCU, University of Maryland
Post-bac research	7	JHU Applied Physics Lab, NIH, UVa BME (2), UVa Pathology, Health Wagon Fellowship, Whitaker Fellowship in Australia
Industry, R&D	3	GE Healthcare, Luna, Accellent
Industry, Consulting	6	Analyst at economic consulting firm; Booz Allen Hamilton; CGI Federal; FTU Consulting; Noblis; Triage Group Healthcare
Government	3	FDA Fellowship Program, U.S. Patent Office (2)
Military	1	Navy
Financial Services	2	Jeffries Investment Bank, Merrill Lynch BOA
Other	5	Mission Trip, Medical Scribe, Medical Volunteer program in Gambia, Africa, Middle School Teacher, Teach for America
10 of 62 students (16%) are "still looking" or "unknown" one month prior to graduation.		
Graduate School	1	Plans to take 1-year premed program (then med school)
Professional school	1	Waiting to hear from PA & Public health programs (then med school)
