Elective (5)

16

18 129 credits – minimum required for graduation. Additional information on electives on SE website under "Electives."

HSS Elective (3)

(1) Suitable science elective I courses are shown on SEAS approved list on the web.

17

HSS Elective (3)

15

3

(2) Science II electives should be chosen from approved 2000, 3000, and 4000 science or mathematics courses. See approved list on the SE website.

STS 2600

Engineering Ethics

15

3

(3) Nine credits of humanities and social science electives should be selected in a related subject area of humanities and social sciences.

3

- (4) Nine credits of applications electives should be selected in a related applications area of systems engineering. See SE website for details.
- (5) Six credits of technical electives. See criteria for technical electives on SE website.
- (6) Fourth year Systems standing requires satisfactorily (C- or better) completing SYS 2001 and 2202 and also completing at least 4 of SYS 3021, 3023, 3034, 3060, and 3062.
