Office of Graduate Programs School of Engineering and Applied S Thornton Hall A108	Science Course Action F	Form	Date (mm/dd/yyyy)	
Student Name		Comp ID	SIS ID	
(last, first middle)		(e.g. mst3k)	(office use)	
Program		Anticipated Graduation		
			Term	Year
Reason for Action				
If you select "Other" re	eason for action, please explain:			
The Course Action Form is to be used on	ly to make changes in your schedu	e that cannot be made	by using SIS.	
Use a separate form for each course. The second line can be used for a depend	dent discussion section of lab conn	ected with the primary	course.	
Class Number = 5 digits Course Number = 4 digits Var. Credits = number of credits request	ted for variable credit/no credit			
Class # Subject Area	Course # Section	Course Title	Var. Credits	Grade Option

With these changes, I will be enrolled for credits. Approval to go above the maximum or below the minimum allowed by my school requires the approval of the Office of Graduate Programs.

## **Other Adjustments**

Add any other adjustments needed to your schedule here (e.g. adjusting research credits, adding a lab section, etc.)

## **APPROVAL**
